

The School of Chi Energy Private Sessions

Students Enroll by choosing the Private Monthly Training with Mentoring:

- The student chooses the enrollment option for \$180.00 per month. This option is available on the sign up page.
- This provides a 30 + minute session with a Sifu\Instructor per month.
- Students that are mentoring have priority in sessions.

Students choose the Reoccurring Private Monthly Sessions:

- Students that need more help in training can sign up for private training sessions of \$97 per month for a specified time. This option is available on the sign up page.
- Students email us to arrange a reoccurring monthly day and time for their session.
- Session duration is 20 + minutes with a Sifu\Instructor per month.

Students choose a Single Monthly Private Session:

- Students that only need a little can choose a onetime private training session for \$97.00 with PayPal's "Pay Now" option. This option is available at PayPal's web site. Please email us for the School's private email to send this payment.
- Students email us to arrange a day and time for their session with at least a 3 days advanced notice.
- Session duration is 20 + minutes with a Sifu\Instructor per month.

In order to use our Private Instructor Training Sessions, students should send us their Skype name and the best times they would be available (Monday thru Friday) include your standard time zone for an appointment. **For more information about Private Sessions, please email our Support Desk at chienergyheals@gmail.com.**

Our School's Special Tuition Bonus for all Chi Students

Chi Energy Students, who plan on continuing their training may receive a **special discount** on their monthly tuition. When Chi Energy students finish their twelve months of training they can continue into Year Two, Year Three and Year Four with their current \$97.00 monthly tuition rate, as long as they stay in School. This also includes the accelerated or twelve week programs.

Normal Monthly Tuition for Year Two is \$197 per month, Year Three is \$297 per month and for Year Four is \$379.00 per month for this highly specialized training. **Students will save a total of \$6,984.00 utilizing this special discounted rate, simply by staying in school with no breaks.**

Year one students may leave and re-enroll in the first year at the \$97.00 tuition rate without a rate increase; however, students in Year Two, Year Three and Year Four must stay in school with no breaks to receive this special bonus rate.

This is our **School's Special Gift** to our students for going through our high level energy training courses. Students that cancel their tuition past the first year without a bonifide emergency, will have to pay the higher normal tuition rates, should they decide to re-enroll at a later date. **Students Will Save Nearly Seven Thousand Dollars** by taking advantage of this special deal.
